

101 FAQ

Please read the FAQ's below it may be helpful to some of your questions that you may already have in mind.

1. FAQ: Is it true that it is better to find an expensive FS consultant to a cheaper one?

Ans: Firstly you need to check on their packages, some consultants give more than others and that may be the cause of a higher price. Usually if a consultant commands a higher price their reputation and experience plus the work involve plays an important part of their charges. It's always better to find someone reliable or better still being referred to.
2. FAQ: I just found out about FS and decided to get someone to analyze my house. I am living in a Period 7 House but do not wish to change it to Period 8. Will it have any bad effects?

Ans: It is always better to change to a Period 8; living in a Period 7 house needs plenty of cures and may not be as good as a Period 8 house.
3. FAQ: How is it possible to change my house to a Period 8 when I live in an HDB flat?

Ans: Usually if there is a major renovation like lift improvements, lobby renovations and heavy hacking, this will change the building into a Period 8. As for individual unit. I have personally renovated my whole house in 2004 by changing the flooring, windows, doors, grills, lightings and ceiling modifications. Monitoring this closely and analyzing it has actually showed that it has changed to Period 8.
4. FAQ: I am an East group and my husband a West group Kua. How will this affect me as we sleep in the same room but facing his good direction?

Ans: Giving priority to the bread winner is important however you can improve or compensate this situation by activating your Sheng Chi and all other favorable directions of yours in your bedroom and any where possible accept the toilets, kitchen and store room.
5. FAQ: Should we sleep in different rooms if my husband's Kua and mine are different? Since we are both holding important status at work.

Ans: This is a sensitive question, if however both party can understand and believe that facing their individual Kua direction is important than they may choose to sleep in different rooms. Because if two party are holding important positions and if one direction is the Total lost sector for any one party it is not good at all. This is something that only couples can decide what is better for them.

6. FAQ: Are traditional FS cures better than modern day cures?
Ans: Traditional cures like the 6 rod all metal wind chimes, Chi Lin etc has been around for thousands of years. FS Masters of the past won't use them or recommend them if they don't work. Modern cures have also been researched so the best way is to try both.
7. FAQ: Can I place a large amethyst cave anywhere I like in the house?
Ans: It is always better to place large amethyst caves at the Mountain Star 8 as it is of Earth element. Placing it at the wrong direction may cause problems.
8. FAQ: Water features are not recommended to be placed at the right side of the main door (taken from Inside house facing out) because there would be Peach Blossom luck as some says. What is your view about this?
Ans: If your Water Star 8 is on the right side you should still activate it but do bed room cures and activate the SW with mandarin ducks etc.
9. FAQ: I want my wealth luck to grow so can I place a Water Feature as big as possible at the Water Star 8?
Ans: In FS everything is about balance and proportion.
10. FAQ: I have followed FS advice very closely, initially things were very good but now it seems that my luck and life has faded away slowly. What is the reason for this?
Ans: All Annual FS updates must be done apart from the Period chart and monthly chart. You also need to replace old cures and activate new Chi by buying new items and replacing the old ones regularly to maintain fresh Chi in the house.
11. FAQ: I have been ill recently for no reasons. Please help me.
Ans: Check your Period/Annual and monthly charts carefully. The #2 illness star must be doing this to you. Cure it with Metallic elements or move out of that room which has the star if all else fail. See your doctor for medical advice too.
12. FAQ: I've followed all FS recommendations from books and magazines etc but it don't seem to work for me.
Ans: Find a professional FS consultant; he/she should be able to help you with FS and Bazi. You may have overlooked some important points.
13. FAQ: They say that I can reuse my wind chimes by cleansing them with salt water?
Ans: It is best to always change wind chimes yearly, this will bring in new Chi, and the wind chimes are also not expensive so it is advisable to change new ones.

14. FAQ: What to do with old brass statues like Kuan Kong, they tend to tarnish after a while, and can we still use it?
Ans: The best solution is to either gold plate it or gold leaf paste it. This will have a longer lasting effect. It also looks more auspicious than having a tarnished statue. Remember, as long as it looks auspicious it will be auspicious.
15. FAQ: My wife likes the ceiling to be painted with clouds, is it a good idea?
Ans: Having clouds as ceilings is not a good sign as it represents water above your head. There may be problems later.
16. FAQ: How do we stop each other from quarreling frequently?
Ans: Make sure your kitchen is not at the SW, locked up in the store or in the toilet. If so use a large boulder to suppress the SW kitchen and use solid 5 rod all metal wind chime to cure.
17. FAQ: There is a direct poison arrow which is a road pointing directly at my front gate to my house, how do I counter this?
